Most applicants apply to BYU Marriott the summer after their sophomore year. Each program starts at the beginning of a new academic year.
• Deadline to apply for Fall is the last working day of June by 4:30 p.m.
The sequence of courses suggested may not fit the circumstances of every student. Students should contact their advisement center for help in outlining an efficient schedule.

Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.

Global supply chain management (GSCM) is the business of business. It involves the creation, sourcing, production, and distribution of products and services. GSCM emphasizes that companies should continually improve the way they work. GSCM coursework is designed to prepare students for managerial, analytical, and consulting positions in Fortune 100 companies. Specific jobs are usually in the areas of IT consulting, business process consulting, purchasing, operations, logistics, and service management.

CAREER OPPORTUNITIES
Careers in global supply chain include the following: business strategy consultant, IT implementation consultant, business process analyst, buyer, project manager, warehouse leader, Lean, Six Sigma, and quality manager, operations manager, purchasing manager, and logistics manager. The companies who are the biggest recruiters in this major are Boeing, Sunrise Technologies, Amazon, Walmart, and Honeywell. Several car companies, major retailers, and entrepreneurial companies also recruit our majors.

GENERAL INFORMATION
Students are encouraged to apply to the GSCM program at the end of their freshman year, as soon as they have completed the prerequisite courses. Students who apply after their sophomore year are given equal consideration as well.

Students who have completed internships, including on-campus internships, students who have a good GPA and students who choose GSCM as their first choice are generally admitted into the program.

It is highly recommended that students get involved the GSCM undergraduate student association as soon as possible to help develop understanding of the major.

For more information about the global supply chain management program, visit https://marriottschool.byu.edu/gscm/

APPLICATION INFORMATION
All students entering BYU Marriott commence their study at the beginning of fall semester. Admission is based on consideration of the following:

- Review of the overall academic record
- Résumé
- Essays
- Evidence of a student’s interest in the field of supply chain management

Prerequisite courses must be completed before the application deadline. Applicants with at least a 3.0 in the prerequisite courses are preferred. When prerequisite GPA is calculated, repeated or transferred courses will be discounted.

TRANSFER INFORMATION
Transfer equivalencies for the following courses will not be considered: ACC 310, FIN 201, IS 201, and M COM 320.

MAP DISCLAIMER
While every reasonable effort is made to ensure accuracy, there are some student populations that could have exceptions to listed requirements. Please refer to the university catalog and your college advisement center/department for complete guidelines.
