BS in Elementary Education (356020) 2022-2023 Program Requirements (67 - 68 Credit Hours)
Licensure: This program meets the educational requirements designed to lead to an occupationally required professional license or certificate in the state of Utah. Students pursuing occupations requiring a license or certificate in a state other than Utah should contact the appropriate BYU academic advisement center as well as the licensing agency in the state where they intend to work to seek information and guidance regarding licensure and certification requirements.

This major is designed to prepare students to teach in public schools. In order to graduate with this major, students are required to complete Utah State Office of Education licensing requirements. To view these requirements go to https://www.schools.utah.gov/curr/licensing or contact the Education Advisement Center, 350 MCKB, 801-422-3426.

Complete admission process for the program through the Teacher Education Department. See http://education.byu.edu/ted/eled for admission requirements.

Note: The Global and Cultural Awareness and Letters general education requirements are fulfilled through completion of the Elementary Education major.

Students accepted into the major after May, 2020, must (a) maintain a total GPA of no less than 2.7 since admission to teacher preparation major and/or minor program, (b) receive a C or better in all education-related and major and minor required courses (including any courses taken prior to acceptance into a teaching major or minor), and (c) demonstrate sufficient and timely progress in coursework and field experiences. For details on admission and retention requirements for teaching majors and teaching minors, see Educator Preparation Program Requirements in the Undergraduate Catalog.

Complete admission process for the program through the Teacher Education Department. See http://education.byu.edu/ted/eled for admission requirements.

THE DISCIPLINE
The Elementary Education program prepares teachers who, having gained their own liberal education, help elementary school age children learn by improving the teaching they receive in the home, school, church, and community. The program provides the opportunity for prospective teachers to learn about the culture of the elementary school, develop a solid foundation in basic principles of teaching and learning that originate in educational theory and research, and become proficient in systematically applying those basic principles.
CAREER OPPORTUNITIES
Those who graduate in elementary education are licensed to teach kindergarten through sixth grade in public and private schools in Utah (see Utah State Office of Education licensing requirements at https://www.schools.utah.gov/licensing). Teaching job opportunities are available in many states through reciprocal agreements based upon national accreditation. In addition, graduates are prepared to enter advanced-degree programs to continue their development as elementary school teachers, pursue administrative positions in the public-school system, work with state agencies that
support education, and teach at higher-education institutions.

ADMISSION TO THE PROGRAM
The Elementary Education program accepts all students who meet the admission requirements. Students who are interested in the program should meet with the Education Advisement Center (350 MCKB) to declare the pre-major and review the admission requirements. Apply to the program by October 1 for Winter semester or February 15 for Fall semester (early application deadlines).

MAP DISCLAIMER
While every reasonable effort is made to ensure accuracy, there are some student populations that could have exceptions to listed requirements. Please refer to the university catalog and your college advisement center/department for complete guidelines.
