PROGRAM ADMISSION:
This is a limited enrollment program requiring departmental admissions approval. Please see the department office for information regarding requirements for admission to this major. Admission to the Department of Art does not guarantee admission to Brigham Young University.

Admission to the Department of Art is obtained by department application after completion of the prerequisite core and a portfolio review. Students
must complete core courses (ART 102, 103, and 226) through the Department of Art. AP credit does not fulfill this requirement. For further details, please refer to art.byu.edu.

Students must complete ARTED 276 before applying to the program, during which they will complete a Praxis Writing Core test or submit previous passing scores for the ACT or SAT writing exam. Students will have two opportunities to apply to their program of choice—one BA in Art Education K-12 (488022) 2022-2023 in March and one in November. Please see General Information below for more details, or contact the college advisement center (1-801-422-3777).

TEACHING REQUIREMENTS:
Prepare to teach in elementary art classrooms by either registering for ArtEd 326 (Art for Elementary Teachers) as a student, or becoming a hired Teaching Assistant (TA) for the course. This requirement must be completed prior to student teaching. Hiring is based upon course availability, so it is recommended to complete this requirement earlier in your coursework. Email Tara Carpenter Estrada (taracarpenter@byu.edu) about hiring options.

THE DISCIPLINE:
The Department of Art serves three main purposes:
1) to prepare competent professionals in various fields of art;
2) to prepare art educators for teaching art at the elementary and secondary levels; and
3) to generally develop individuals’ aesthetic sense by helping them experience art.

TALENT AWARDS AND SCHOLARSHIPS:
All students are encouraged to apply for department talent awards and scholarships annually by March 1st. The application is available at https://artdepartment.slideroom.com.

CAREER OPPORTUNITIES:
The art education degree certifies the student as an art specialist, grades K-12, in public or private institutions. Other opportunities for the certified art specialist are in foreign school systems, recreation programs, art museum education programs, and galleries. Students qualify for positions in artist-in-the-schools programs and arts councils and as art critics and arts consultants/coordinators. The degree also provides a foundation for graduate study leading to advanced degrees.

TRANSFER STUDENTS:
Transfer students applying for art education will need to meet with Dr. Graham (3116B JKB, 801-422-5866, magraham@byu.edu). Transfer students will also need to submit an application.
