Note: If approved beforehand, up to 9 hours of credit may be counted for overseas work done under one of the following: Study Abroad, internships, mentored research, or independent field studies.

THE DISCIPLINE:
The Asian Studies major is an interdisciplinary program designed to prepare students for careers and advanced study in the specialized field of Asia not provided by a major in one department. In the program, students acquire working competence in Chinese, Japanese, Korean, or another approved Asian language; a broad knowledge of Asian civilization; and a more specialized knowledge in an academic discipline.

CAREER OPPORTUNITIES:
The Asian Studies major is useful to those contemplating careers in academic areas, private industry, or government service. The import-export field and international services are particularly interested in persons who have a strong background in Asian Studies.

MAP DISCLAIMER
While every reasonable effort is made to ensure accuracy, there are some student populations that could have exceptions to listed requirements.
Please refer to the university catalog and your college advisement center/department for complete guidelines.
