THE DISCIPLINE
Sociocultural anthropologists seek to understand human behavior in its cultural contexts.

CAREERS
Students majoring in sociocultural anthropology will acquire a set of skills that employers find very appealing, including: ability to plan, design, and carry out research; writing skills; cross-cultural understanding; and ability to work effectively in groups. For more information on careers in your major, please contact the University Career Center or the College of Family, Home, and Social Sciences Academic Advisement Center.

MAP DISCLAIMER
While every reasonable effort is made to ensure accuracy, there are some student populations that could have exceptions to listed requirements. Please refer to the university catalog and your college advisement center/department for complete guidelines.
